

Form 3
Aggravating and Mitigating Circumstances Associated with
Offenses with Three Alternative Minimum Lengths of Stay

(Use Form 4 also for All Sex Offenses.)

Utah law provides three alternative indeterminate lengths of stay (6 years to life, 10 years to life, or 15 years to life) for sex offenses represented by columns A, B, and C on Form 2 – Sex Offender Matrix. The court shall order the term of middle severity, 10 years to life, for offenders convicted of one of these offenses unless aggravating and mitigating circumstances justify departure. Aggravating circumstances may exist which justify an upward departure to an indeterminate term of 15 years to life. Similarly, mitigating circumstances may justify a downward departure to an indeterminate term of six years to life. The responsibility to weigh aggravating and mitigating circumstances in each case rests with the court. The pre-sentence investigator should note any aggravating or mitigating circumstance that merits consideration by the court by entering the page number of the presentence report where the court can find supporting information.

This list of aggravating and mitigating factors is non-exhaustive and illustrative only.
